

Information ONLY for teams and drivers

Given that

FROM OCTOBER 05TH TO 11TH the gates will be open 7am to 8pm

Please, note that:

- The reservation of the paddock place is mandatory by e-mail to: **paddock@franciacortakartingtrack.com**. The arrangement of the teams in paddock 1 and paddock 2 will be sent by e-mail. **Vans and tents can start setting up from october 05th – unless different indications.**
- The electricity is available, but we ask to have a generator available in case of need. Each team must be equipped with a fire extinguisher, cables and electrical sockets for connection to the supplied current point. If the team needs extra voltage, they will use their own generator.
- Open flames are forbidden. Each team is responsible for serving food and drinks under their facility, but the sale of them is prohibited. Any food delivery must stop at the Info-point and not go down to the paddock.
- Vans and tents must arrive already washed and cleaned: washing of structure is not permitted in the paddock.
- There will be a water point available and we ask to use it consciously.
- Showers at paddock 1 will be open, but hot water will only be active from 7pm and closed during the day. Hot water is available if it is not used for anything else.
- It is prohibited crossing the fences surrounding the Porsche paddock (if used). The Porsche paddock must be freed on Sunday, October 11th by 7pm or by Monday 12th by 10am. It will not be possible stay overnight on the evening of Sunday 11th.
- From 10pm will begin the silence hour until 7am. Paddock cleaning will be done both early morning and evening.
- The night control will be active from October 9th until the end of the event on October 11th. All the internal and external areas are always unattended. During the race week, all the external areas will be coordinated from 7am to 5pm, but they are always unattended. We remember that on the road applies the Highway Code.
- All cars/mini vans, unless authorization, must park outside; unloaded and loaded of drivers and their luggage must take place at the infopoint.
- Cartons, waste and tyres will be collected by the track staff early in the morning and in the evening after track activity.
